

# Having Calm Conversations

A 4 SESSION GUIDE TO BETTER CONVERSATIONS ABOUT JESUS

# HAVING CALM CONVERSATIONS

Sharing Jesus these days isn't easy. It can even make us anxious. How can we lay the conversation groundwork so that we can talk about faith-related things? How do we make good Gospel connections in conversation? How can we disagree well when someone holds a different position to us? Having Calm Conversations is a practical guide for those next steps in conversation. When we speak calmly, wisely and winsomely, we speak well to others about Jesus.

Each lesson contains structured summaries, key points, Bible passages and animated role play with experienced trainer Caroline Spencer.

The course is also available as a free trial or via a group license.
