THE WORD 121 CHURCH COURSE

You want to share Jesus with people, but what do you say? Wouldn't it be great if God would speak directly to your friend himself? What if there was a tool that made the Bible easier to open in a friendly relaxed, cafe environment?

This interactive course is a tool for Churches to multiple Bible Sharing, using a tool called the Word 121, which walks you and a friend through the Gospel of John. This course gives you and your church a model for Sharing the Bible, Inviting friends to read with you and stories to inspire you along the way. This tried, tested and interactive course will help you support your learners and build memorable skills.

Includes:

- Slide deck for online or face to face training
- High quality videos content
- Practical interactive activities to do in your group
- Participant Handouts and leader's guide
